

IARC Monographs on the Evaluation of Carcinogenic Risks to Humans
**VOLUME 96: ALCOHOLIC BEVERAGE CONSUMPTION,
ACETALDEHYDE AND URETHANE
Lyon, France: 6-13 February 2007**

LIST OF PARTICIPANTS

IARC requests that you do not contact or lobby meeting participants, send them written materials, or offer favours that could appear to be linked to their participation. (You may send pertinent written materials to IARC.) IARC will ask participants to report all such contacts and will publicly reveal any attempt to influence the meeting. Thank you for your cooperation.

Members

Naomi Allen, University of Oxford, United Kingdom
Lucy M. Anderson, National Cancer Institute, USA
Frederick A. Beland, National Center for Toxicological Research, USA (Subgroup Chair, Cancer in Experimental Animals)
Jacques Bénichou, Université de Rouen, France (unable to attend)

Lyon, France: 6-13 February 2007**

NOTE REGARDING CONFLICTS OF INTERESTS: Each participant has submitted a Declaration of Interests that covers financial interests, employment and consulting, and individual and institutional research support. Participants identified as Invited Specialists will not serve as meeting chair or subgroup chair, draft text that pertains to the description or interpretation of cancer data, or participate in the evaluations. The Declarations will be updated and reviewed again at the opening of the meeting.
